

# 7<sup>th</sup> ICORE INTERNATIONAL POSTAL MATCH (2007)

Its time once again for the ICORE International Postal Match. Last year we had 368 shooters compete in this event and I think if ICORE keeps gaining in popularity we should crack 400 shooters competing this year.

Once again the idea behind this postal is the promotion of ICORE and to make as many shooters as possible out there aware of ICORE and hopefully we can get some first time participants. If we all make the effort to introduce some one new to ICORE, we will continue to grow.

You do not have to be a member of ICORE to compete in this match.

This match is to be shot over the period from 1<sup>st</sup> September to the 31<sup>st</sup> of December 2007. Anyone, anywhere are welcome to compete. Being a postal match it is important to set up the stages as indicated in the diagrams and of course your honesty counts. So please make the effort to be fair to all.

Be sure of the rules when running this match. If there is any doubt then download yourself a copy of the rules from [www.icore.org](http://www.icore.org).

You are welcome to shoot this match as many times as you like however to be fair to all, please only shoot it once on the same date in the same division.

To make my job easier, after you have shot the match please send me a summary of the results as an Excel file laid out this way:

Name	ICORE No if member	Division O/L	Date	Junior/ Lady L ,J	Country	Host Club	St.1	St.2	St.3	St.4	Total

Please get the results back to me as soon as you can after shooting the match. Send the results to me at [kenmbark@aol.com](mailto:kenmbark@aol.com) and any questions you may have send me an email. When you do email the results to me, I will email you back confirming receipt of your results. The overall match results should be out early January 2008.

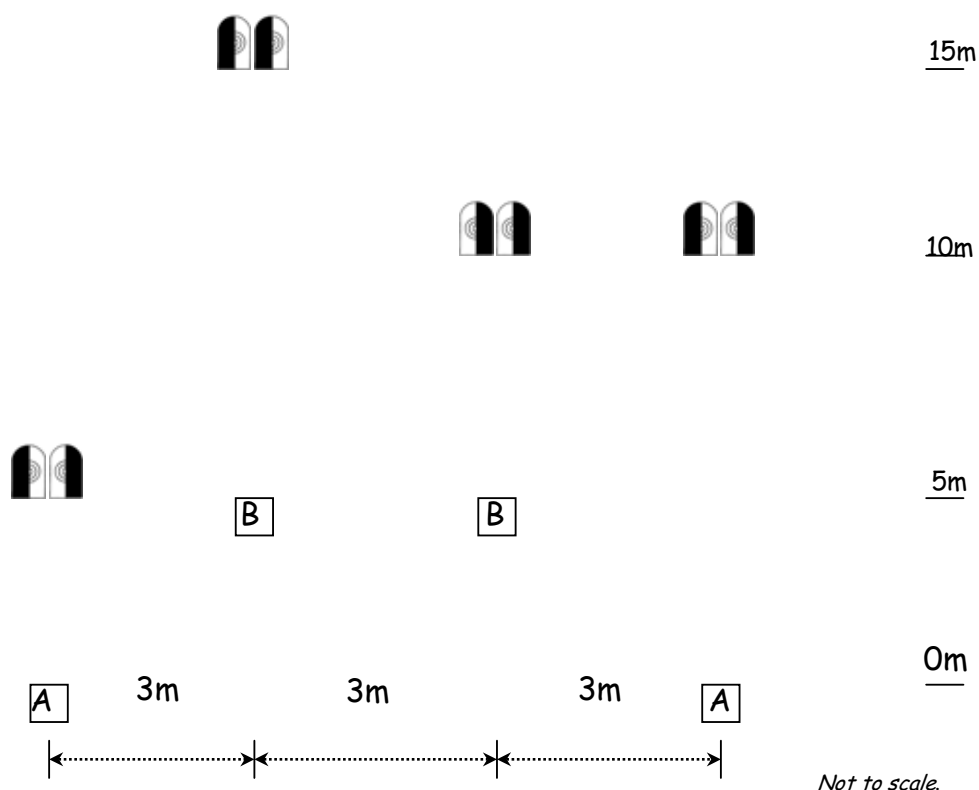

Be safe, enjoy the match and introduce someone new to ICORE.
